

Do you wish to be considered for a teaching assistantship? Yes No
 (no additional application is necessary)

Do you **require** financial aid from the School? Yes No

Please check the course(s) for which you could act as a laboratory teaching assistant:

| <input type="checkbox"/> Economic Geology | <input type="checkbox"/> Mineralogy and Optical mineralogy |
| <input type="checkbox"/> Exploration Geophysics | <input type="checkbox"/> Paleontology |
| <input type="checkbox"/> General Geophysics | <input type="checkbox"/> Physical Geology |
| <input type="checkbox"/> Historical Geology | <input type="checkbox"/> Sedimentary Petrology |
| <input type="checkbox"/> Igneous and Metamorphic Petrology | <input type="checkbox"/> Stratigraphy |
| <input type="checkbox"/> Petroleum Geology | <input type="checkbox"/> Structural Geology |
| <input type="checkbox"/> Field Geology | |

What geological experience, other than formal coursework, have you had? (If applying to the Ph.D. program, list master's thesis title).

List publications and/or memberships in honor or professional societies, special awards, fellowships, scholarships, and assistantships.

List all colleges and universities attended:

NAME OF INSTITUTION	DATES	DEGREE/YEAR	MAJOR	GPA

GRE SCORES: Verbal _____ Quantitative _____ Analytical _____
 Advanced _____ (optional)
 Note: you are still required to submit an official copy.

TOEFL SCORE: _____

SUMMARY OF COURSE WORK THAT WILL BE COMPLETED BY THE TIME OF YOUR ADMISSION

COURSE	SEMESTER (S) TAKEN / CREDIT HOURS / GRADE
Mathematics Analytical Geometry Calculus Differential Equations Other	
Chemistry	
Physics	
Computer Science	
Other Science / Engineering	
Geology Minealogy ¹	1. Did this course include optical mineralogy? <input type="checkbox"/> yes <input type="checkbox"/> no
Optical Mineralogy	
Igneous and Metamorphic Petrology ²	2. Did this section include a thin section lab? <input type="checkbox"/> yes <input type="checkbox"/> no
Sedimentary Petrology	
Structural Geology ³	3. Use stereonet <input type="checkbox"/> yes <input type="checkbox"/> no Graphic solutions using description geometry? <input type="checkbox"/> yes <input type="checkbox"/> no
Paleontology	
Stratigraphy	
Introductory Geophysics	
Field Geology	
Other Geology	
Petroleum Geology	1. Use well logs <input type="checkbox"/> yes <input type="checkbox"/> no 2. Use seismic sections <input type="checkbox"/> yes <input type="checkbox"/> no
Geophysics	

PERSONAL ESSAY (REQUIRED): In the space provided below or as an attachment, describe your professional goals and discuss your motive for seeking an advanced degree in geology or geophysics.

Please provide the following data on three persons to whom you have given the "Letter of Recommendation" forms.

NAME	INSTITUTION / ADDRESS / TELEPHONE	POSITION
